# FAMILY RESOURCE GUIDE

This is your directory of organizations that provide services to children, their families and referral agencies throughout the Pinal region. If you would like additional copies of this guide, have corrections or would like to be included in the next edition, please contact Samara Plotz, First Things First Pinal Program Coordination Specialist and PECC Facilitator, (480) 253-1456 or [splotz@FirstThingsFirst.org](mailto:splotz@FirstThingsFirst.org). Additional copies are also available at the following locations: public libraries, Department of Economic Security Child Care and AzEIP, Child Care Resource & Referral, Pinal Gila Community Child Services, Easter Seals Blake Foundation, local chambers of commerce and hospitals within the Pinal region.

## About Pinal Early Childhood Coalition

The Pinal Early Childhood Coalition is a community coalition encompassing a variety of sectors serving families and children; Early Childhood Educators, Child Care Providers, Mental and Behavioral Health workers, Health Care, State and Government Departments, Tribal, Foster Care, Library Districts, Faith Leaders, School Districts, Family Support Providers and more! PECC strives to coordinate Early Care and Education, Family Support and Health Care systems to promote information sharing amongst service providers, in turn improving the foundation of support for families with young children in the Pinal region. We envision a sustainable, inclusive community system that empowers families to focus on the well-being, education, and healthy development of all children.

## How to Get Involved

Joining our community coalition is a powerful way to make a difference, contribute to meaningful change, and connect with others who share a passion for improving the early childhood system! We believe in the power of community and the strength of diverse voices coming together for a common cause. To learn more, follow us on our socials and contact Samara Plotz at [Splotz@FirstThingsFirst.org](mailto:Splotz@FirstThingsFirst.org) or (480) 253-1456.

**BECOME A CASA VOLUNTEER.**

Children in foster care who have a CASA volunteer are more likely to succeed in school and adjust to change. And they're half as likely to re-enter the foster care system later. As a volunteer, you can make all the difference for a child who has experienced abuse or neglect in your community. Get involved today.

## About First Things First

First Things First is Arizona's early childhood agency with free programs, information and resources to support children's health and development. Created by Arizonans, First Things First (FTF) partners with families and communities to improve the early learning, health and development of our state's youngest children so they are ready for success in kindergarten and beyond.

With statewide oversight and accountability, decisions are made at the local level about how to invest funds from tobacco revenues dedicated to early childhood programs and services. FTF regional partnership councils are led by volunteers representing their community. Based on the area's early childhood needs, each council recommends strategies to improve the health and learning of children birth to age 5.
